

Eclipse Playlist:

Before Totality

- *Bad Moon Rising* – CCR
- *Here Comes The Moon* – George Harrison
- *Total Eclipse of The Heart* – Bonnie Tyler
- *Don't Let The Sun Go Down On Me* – Sir Elton
- *Moonshadow* – Cat Stevens
- *Black Hole Sun* – Soundgarden
- *Moondance* – Van Morrison
- *Steal My Sunshine* – Len
- *Invisible Sun* – The Police
- *Eclipse* – Pink Floyd
- *Ain't No Sunshine* – Bill Withers

During totality

- Nothing you fools! Just enjoy the totality.
(Ok, if you must, try to time things so that Pink Floyd's "Eclipse" is playing. Or maybe Bill Withers' "Ain't No Sunshine". Or "Waiting for the Sun" by the Doors.)

After Totality

- *Here Comes The Sun* – The Beatles
- *Waiting For The Sun* – The Doors
- *Age of Aquarius / Let The Sunshine In* – The 5th Dimension
- *House Of The Rising Sun* – The Animals
- *Sun is Shining* – Bob Marley
- *Good Day Sunshine* – The Beatles
(Don't worry. It's totally OK to have more than one Beatles song on your playlist.)
- *You Are My Sunshine* – americana classic
- *Sunshine Of My Life* – Stevie Wonder
- *I Shall Be Released* – Bob

Alternate Eclipse Playlist:

- Pink Floyd's Dark Side of the Moon on repeat.
